## ASSUMPTION UNIVERSITY

Assumption University initially originated from Assumption Commercial College in 1969, as an autonomous higher education institution under the name of Assumption School of Business. In 1972, with the approval of the Ministry of Education, it was officially established as Assumption Business Administration College or ABAC. In May 1975, the Ministry of University Affairs accredited it and in 1990, it was granted a new status as "Assumption University."

The University is a non-profit institution administered by the Brothers of St. Gabriel, a worldwide Catholic religious order, founded in France in 1705 by St. Louis Marie de Montfort devoted to education and philanthropic activities. The congregation has been operating numerous educational institutions in Thailand since 1901.

The University is an international community of scholars, enlivened by Christian inspiration, engaged in the pursuit of truth and knowledge, serving the human society, especially through the creative use of interdisciplinary approaches and cyber technology.

As the first International University of Thailand, our university has students and faculty members from nearly 75 countries, represented on the three campuses. More than 1,300 high-caliber faculty members teach approximately 20,000 students pursuing an exceptional higher education and a unique university experience.

The university's curriculum, using the American semester credit hour system, features a broad range of subjects. Among them, Business Administration, Management and Information Technology are the most popular. Many of our graduates are in key management and technological positions in industry, government, banking and multi-national conglomerates worldwide.
