

BEST EXPORTER

BANGKOK CYCLE INDUSTRIAL CO., LTD.

Bangkok Cycle Industrial Co., Ltd. was established in 1991, with its registered capital of 100 Million Baht to operate the business of bicycle manufacturing for exportation under the trademark of OEM customers.

The Company has manufactured a variety of bicycles including kids bikes, city bikes, BMX, mountain bikes, electric bikes, electric scooters, etc., and has applied modern technology and machines from Taiwan and Japan. As a result, the Company is able to operate its integrated production including pressing, welding, wheeling, painting, and assembling of bicycles.

Utilizing the latest production processes and with close to 650 employees, the Company has an export production capacity of 780,000 bicycles per year. Every bicycle will be checked for its quality and specification and tested in accordance with International safety standards such as CPSC of the United States and Canada, British Standards of the United Kingdom, DIN Standards of Germany, JIS Standard of Japan and the CEN Standard of the European Union.

The Company has the international standard quality and acceptable to overseas customers such as ZELLER (Canada), SPORT EXPERT (Canada), SEARS (Canada), HALFORDS (England), ZEG (Germany) and MBK (France).

For nearly 20 years, the Company has seen significant growth in its customer own brand business and in 1998 also established a new division to enhance its own "LA Bicycle" brand range for both domestic sales and export markets - LA Bicycle (Thailand) Co., Ltd.
