## DHA SIAMWALLA LTD.

Established in 1907, DHA Siamwalla Ltd. is currently managed by the third and fourth generations of the Siamwalla Family. The company employs 700 workers at its city offices and its two factories and a VNA Warehouse at Navanakorn Industrial Estate, which manufacture letter files, notebooks, writing pads and self-adhesive labels. The plants are also engaged in backward integration producing polypropylene sheets and metal parts for letter files.

### Manufacturer of Quality Products :

Our popular and widely respected "Elephant" brand products made their debut in 1960, with the appearance of the now-famous "Elephant" file, made for us by a contractor. In 1976, using simple manual methods, we began making it ourselves. We built our first factory in 1980 at the Navanakorn Industrial Estate in Pathum Thani, and a second in 1988. Our items went into production: The Elephant Brand notebook, duplicating stencil paper, duplicating ink, self-adhesive labels.

"Elephant" brand products have won a reputation for quality and reliability. Many have been awarded the TISI seal, signifying approval by the Thai Industrial Standards Institute. Our lever arch mechanism for both wide-back and narrow-back files won the Asian Hitech Award from the Ministry of Science, Technology and Energy. It is the only product of its kind to win the TISI mark.

We, DHA Siamwalla Ltd. are the most advance file manufacturer in Asia. Our productions are fully equipped with up-to-date high speed automatic machines from Europe, Japan and USA such as fully automatic web fed case making and inner lining, metal edge fitting, lever arch file assembling, PP cast film extruder, PVC in-line welding, suspension file and index making machines.

For more than 10 years, we have been well acknowledged in international market as the company who are supplying high quality products in Asia at reasonable prices with professional services. Currently we are now exporting to more than 50 countries worldwide such as Japan, Australia, United Kingdom, USA, UAE, Saudi Arabia and etc. Apart from the finished products, we also export our PP lever arch flat, marble paper lever arch flat, PP ring binder flat, and PP insert ring binder flat to many file manufacturers.

In 2006 DHA Siamwalla Ltd. has achieved the ISO 9001: 2000 Certification of Quality Management System from Bureau Veritas Quality International (BVQI), the leading international standard Organization, in recognition of the internationally acclaimed and high quality service provided. Our Quality Policy is, "Management team and all DHAS employees have a strong determination to provide quality of products and services in compliance with ISO 9001: 2000 to enhance customer satisfaction."

In the year 2007, at the time we will celebrate 100<sup>th</sup> anniversary, we will open our new factory in Rojana Industrial Park Public Company Limited in compliance with BOI's condition for promotion privilege in support of factory relocations. The completion of our new facility has put Thailand firmly on the map as the Capital of Asia's binders manufacturing. We have risen from a regional to global player, with new sales territories opened up to our products and we are more optimistic as ever over the future of our manufacturing business

### Clean Industry :

We have a comprehensive water treatment system to deal with waste water from the metal-plating process. It complies fully with the standard set by the Ministry of Industry, and we are confident that waste water from the Siamwalla factory is completely harmless to the environment.
