

DESIGN EXCELLENCE AWARD (DEmark)

BATHROOM DESIGN CO., LTD.

BATHROOM DESIGN CO., LTD. founded since 1996. With our business vision that we want to be in the top 5 of World's leader producing sanitary products with Innovative Design and Technology. In addition to our own business achievement, we also have strong ambition to prove that Thai Designers and Manufacturers are able to be well recognized and uphold value added to Thai products and brand names to the world market.

From the idea that Design is a key element conducive to innovation and quality; therefore we are focusing and blending harmoniously with Technology and Function. Today, it complements a company's product portfolio in the spirit of brand management to global market.

Throughout the years, our export has had a sustain growth and diverse expansion over 30 countries in Asia, Europe and Middle East. We provide competitive advantages to our agents and customers with full range of innovative bathroom related products such as Spa Bathtub, Vitreous Ceramic Sanitary Ware, Shower Enclosure, Massage & Shower Panel, Utility Shelves, and other bathroom accessories based on "universal design concept" in order to meet global consumer satisfaction. Integrated with our core competencies of design, technology and function throughout our product ranges such as **I-Spa** - intelligent digital control system, **I-Touch** - intelligent touch control system, **I-Command** - Intelligent Auto Fill / Stop Water via mobile phone, **I-Aroma** - Intelligent vapour mist moisturizer with aromatic scent, **Ozone Therapy** - purifying water with fresh air bubbling, **Chromo Therapy** - stimulating your feeling with variety of light shades, and much more advance and comfort for your wellness. Our products, therefore, are presented as inspirational concepts to assist our innovation technology and design oriented customers.

Our superb quality in design and technology has been certified by being the first Asian sanitary company winning the prestigious world's product design awards, Year 2007: IF product design award 2007 Hannover-Germany, Year 2008: Reddot design award Winner 2008 and Reddot design award honorable mention 2008, Essen-Germany.

We are also certified by both Thailand and international recognition certification marks such as Prime Minister's Export Award (Best Exporter 2007), (Thai - Owned Brand 2007), (Thai - Owned Design 2007, ISO 9001:2000 (with design), CE Europe and Thailand industrial standard (TISI). With these pride achievement in design awards and quality certifications, it ensured our ability that we could soon achieve our vision.

Our management adopted the philosophy of **Sufficient Economy Path** to balance financial risks, sufficient income and sustain growth. The "**Good Governance Award 2007**" given by The Thai Bankers' Association in May 2007 could testify to the correctness of our long and consistent of our philosophy that always return added values and benefits to customers, employees, social responsibility, and environment. This is our pledge to ensure that the prestige we have received remains the proof of customers' contentment and the source of our delight for further development.
