CHAISERI METAL & RUBBER CO., LTD.

Chaiseri Metal & Rubber Co., Ltd. is a Thai company which is the only qualified manufacturer of Track Shoes and Road Wheels in Thailand. We have been one of the major military product suppliers of the Royal Thai Army for decades due to its competitiveness in quality, price and on-time delivery.

Chaiseri Metal & Rubber Co., Ltd. is located in the province of Pathumthani which is located in the north of Bangkok, Thailand with a considerable history since it has been operating in related business for more than 30 years with the policy of supplying high quality products according to customers' requirement at competitive prices.

At present, Chaiseri is one of the major military product suppliers for the Royal Thai Army. With our multiple facilities and experience in various products, we have supplied our products to worldwide customers (more than 36 countries) with satisfaction guarantee. We are proud to step ahead to the world market.

PRODUCTS :

Rubber and Rubber-to-Metal bonded parts, Track Shoes and Road Wheels for All Types of Armored Tracked Vehicles

QUALITY ASSURANCE :

In our continuous quality control process, we have stringent batch laboratory test of raw materials and field testing under actual operating condition which are standard practice of Chaiseri in order to make the products' quality according to U.S. Military specification and NATO standard.

Every product manufactured by Chaiseri thoroughly examined by an in-house quality assurance team, from raw materials to finished products, hence we always offer top quality products to our clients. Also, we have received certificates of appreciation for our products and services from our previous customers.

With our policy of supplying excellent quality at reasonable prices together with on-time delivery, our customers can ensure that every single product from Chaiseri has the best quality fulfilling all requirements.
