

DESIGN EXCELLENCE AWARD (DEmark)

Silver Ornament "Gavang Apart of"

The vision of natural beauty represented by a leaf is translated into bold and simple form of wearable object set. They can be worn individually or married up. This ring set are connected to the relevance of human kind and all environmental problems presently facing the world.

GAVANG CO., LTD.

GAVANG intends to reflect the pure beauty of our country's natural wealth by making it exist beyond eternity. As well our designs show our awareness of the impact we all have on the natural environment.

GAVANG was established in Bangkok, Thailand in 2005, the unique oriental design of silver jewelry and design objects. As well as the company provides comprehensive services in all aspects of DESIGN, product design and visual merchandise design. For only three years the firm has gained considerable experience in the field of hotel products, hotel decorative accessories, fashion jewelry, commercial space-visual merchandise design.

In additional, GAVANG's target market is focus on the niche market of Hi-end customer. We currently have customers in many countries around the world and we also have offered the wide range of Jewelry products from silver, Gold, Eco-Acrylic and Resin which are all our major products.

Kultirat Meesaiyati is an important director of GAVANG design team. At the crossroad of fashion, of industrial designer and of jewelry designer, she brings about a keen sense of innovation, allied to a very modern intelligence of form.
