

THAI-OWNED BRAND

TIRATHAI PUBLIC COMPANY LIMITED

Tirathai Public Company Limited (TIRATHAI) is a Thai manufacturer and a member of MAI stock market. Tirathai has been established since 25 August 1987 to manufacture all types of transformers. At present, Tirathai is able to produce the largest power transformers in the South East Asia up to 300 MVA with voltage 230 KV which distributed to EGAT, MEA, PEA including private sector such as PTT and The Siam Cement Group.

Currently, Tirathai has manufactured power transformer of 200 MVA and 300 MVA with voltage 230 KV which were sold to EGAT and MEA respectively.

From the past up to now, Tirathai is deliberated to manufacture variety of quality products not only to substitute the importation but also export to more than 25 countries. Apart from 10 countries in South East Asia, our products are also exported to Japan, China, India, Nepal, Sri Lanka, Syria, Oman, Iran, Saudi Arabia, Guiana, Australia, Argentina, Trinidad and Tobacco, and Canada.

Tirathai has the modernization and standardized manufacturing plant with qualified equipments, machinery which is equivalent to the world leading transformer plant. Our company is located at Bang Poo Industrial Estate, Samutprakarn province. Tirathai has also received the Certificates of TIS 384/2543, ISO 9001 and ISO 14001. Moreover, we are the only one manufacturer in Thailand who received the certificate of Laboratory Accreditation (ISO/IEC 17025) from TISI.
